Are you wondering what the benefits are when hosting a training event with NaBITA? The information below provides a snapshot of the benefits received when you decide to bring a training to your school.

Host Benefits

Complimentary Registrations

- Each host site will receive ten complimentary registrations to their training event. This can include faculty or staff such as; counseling, public safety, teachers, resident directors, medical staff, general counsel, human resources, etc.
- Each host has the potential to receive additional complimentary registrations should the event exceed a minimum of 75 attendees.
- These registrations include more than just access to the training. They could also include;
    - A three-month trial membership
    - Window into BIT 1.0 and 2.0
    - CARE Team Manual
    - Additional online trainings
    - Access to online scoring versions of the NaBITA Risk Rubric and SIVRA-35
    - Custom slide set for your specific training
    - Access to multiple whitepapers
    - Sample templates, forms, articles, and policies
    - Two-year certification
- If your team would like to send additional attendees to the training, you will receive a discounted rate beyond your complimentary registrations. The discounted rate per person is $300 for a two-day training or $200 for a one-day training.

Exposure- Be a leader in your region!

- Each training includes best practices on the topic at hand. Our trainings have been proven to be the standard in the field and by hosting, you allow not only your team, but teams within the region to obtain these valuable trainings.
- Each host will be announced within marketing material at all NaBITA conferences.
- Each host will be listed on the NaBITA website and within member material.

Pre-approval for future events

- At the completion of a successful training event, your host site will be considered for pre-approval status for future trainings.

Complimentary consultant fees

- NaBITA will cover all consultant fees, including travel. The host site will not require a contracted minimum dollar amount.
