REQUEST FOR PROPOSAL
2020 Campus Host for Certification Courses

The National Behavioral Intervention Team Association (NaBITA) is committed to providing education, development and support to school and workplace professionals who endeavor every day to make their campuses and workplaces safer through caring prevention and intervention.

NaBITA brings together professionals from multiple disciplines who are engaged in the essential function of behavioral intervention in schools, on college campuses, and in corporations and organizations for mutual support and shared learning. Whether it is to combat bullying, prevent violence, support individuals with disabilities, empower the success of those suffering from mental health challenges, or assist those who are in crisis, our members are joined in common purpose and exploration of best practices.

NaBITA is the premier association for behavioral intervention team training, offering a number of courses to meet the growing demand for new and unique professional development opportunities. NaBITA Certification Courses provide colleges, universities, and other educational institutions and organizations the opportunity to learn more about the operation and utility of a BIT in a campus setting. Our campus hosted training model allows multiple institutions to gather for training, while simultaneously allowing the host institution to train staff and faculty without the inconvenience of extended travel and associated costs.

This document outlines the requirements for an institution serving as a campus host. You may complete this form manually or complete via the online form.

Applications for 2020 are accepted on a rolling basis beginning in July of 2019 and reviewed within three weeks of submission. Prospective hosts are encouraged to work ahead and complete an RFP before the required submission range. The decision to host an event operates on a “first come, first served” basis and is determined by variables such as presenter availability, regional location and proximity to other institutions and hosts, training demand, and the quality of completion for the criteria outlined below. In an effort to help attendees keep travel costs to a minimum, priority is given to prospective institutional hosts located in major metropolitan areas with easy access to air and ground transportation.

All campus hosted Certification Courses qualify for credit through The NCHERM Group’s Continuing Certification Credit (CCC) Program. Current Certification Courses offered as part...
of the Campus Hosted Events Program are available for review at https://nabita.org/news-events/nabita-training-events/. More information on the CCC Program is available at https://www.ncherm.org/online-education/continuing-certification-program/.

In consideration for partnering with NaBITA to host a training event (i.e., assist with recruitment efforts and attain a minimum of ten participating institutions, provide a training facility, audio/visual technology, breakfast and an afternoon snack each day of training, and staff to oversee event and create nametags) the host’s registration fee is waived for 10 campus attendees. NaBITA reserves the right to fill the training facility to maximum capacity (less host attendees), so please budget appropriately.

M. Benefit to Hosts
Waived Registration Rate: The training event registration fee is waived for a group of up to 10 attendees from the host campus. Should you wish to send additional attendees to the training, they may register at a discounted rate of $300 per person for a two-day training or $200 per person for a one-day training. Additional complimentary registrations may be provided to host based on the success of the event.

N. Event Cancellation
A successful certification training course requires joint effort and collaboration by both NaBITA and the host campus. It is responsibility of both NaBITA and the host campus to market the training to ensure a successful turnout. Registration progress is monitored on a weekly basis and hosts are provided a status update on registration numbers. Throughout the course of the registration process in the months leading up to a training, NaBITA staff will be in touch with the host contact regarding a number of logistical concerns, including the viability of the event based on registrations.

1. In the event a training does not meet minimum registration requirements as determined by NaBITA, NaBITA reserves the right to cancel or reschedule the training to a mutually-agreeable date. NaBITA understands that there are costs associated with hosting a training, and that not all of those may be recouped in the event of a cancellation. In the rare event that a training event must be cancelled due to low registration turnout, NaBITA will waive the registration fee for the host campus to send up to 3 of its members to a comparably-priced training event.

Initials: __________
2. In the event of an Act of God (e.g. inclement weather, destruction of facilities, illness, and the like), NaBITA and the host school will in good faith, attempt to fully perform this training. However, in the event that an Act of God prevents performance by either or both parties, both parties agree to make good faith efforts to reschedule the campus hosted event at a mutually acceptable later date.

3. If a host school decides to cancel an event within 12 weeks of the scheduled training date, the host school will be responsible for up to $1,500 of incurred travel costs. If the host school cancels the training event within eight weeks of the scheduled training date, NaBITA will have to refund registrants who have already paid, and will incur significant staff costs, refund expenses, reputational damage, and the loss of good will of registrants. As a result, the host school will be responsible for paying NaBITA an amount equal to the registration revenue received by NaBITA up to the date of cancellation (not to exceed $16,000), as liquidated damages for the cancellation. Cancellation of an event within 12 weeks of a training date will forfeit the opportunity for said school to host a public event for three years.
